What to Order at a Wine Bar (Not Drinking)

Print at 100% (actual size). Cut along the dashed lines, fold each strip in half on the dotted line, and tuck it behind your ID. Or skip the scissors and screenshot page 2. Last updated: November 7, 2026.

BEST MOCKTAIL RECIPES · WINE BAR CARD

I'm not drinking tonight. Could you make me one of these?

1. Any non-alcoholic or dealcoholized wine by the glass?
2. NA sparkling wine or sparkling cider, wine glass
3. Sparkling water + splash of cranberry or pomegranate, wine glass
4. Virgin spritz: cranberry, orange peel, sparkling water over ice
5. White grape juice + soda water, orange twist
6. Bartender's choice: fruity or bitter, no alcohol, wine glass

HEADS-UP FOR THE BARTENDER

☐ No bitters (most bitters contain alcohol)
☐ Prefer 0.0% if you have it (NA can be up to 0.5% ABV)
☐ No hard cider / hard seltzer by mistake
☐ Allergy: _____
☐ Nice wine glass + garnish, please

Thank you! I tip on mocktails like wine.

BEST MOCKTAIL RECIPES · SHOW THIS AT A WINE BAR

Hi! I'm not drinking tonight. Could you make me one of these, no alcohol, please?

1. Any non-alcoholic, dealcoholized, or alcohol-removed wine by the glass?
2. NA sparkling wine or sparkling cider in a wine glass
3. Sparkling water with a splash of cranberry or pomegranate, wine glass, orange peel
4. Virgin spritz: cranberry juice, orange peel, sparkling water over ice, cherry if you have one
5. White grape juice topped with soda water and an orange twist
6. Bartender's choice: fruity or bitter, zero alcohol, in a wine glass with a garnish

Heads-up:

☐ No bitters, please (most bitters contain alcohol)

☐ Prefer a 0.0% option if you have it (NA wine / NA beer can contain up to 0.5% ABV)

☐ No hard cider, hard seltzer, or hard kombucha by mistake

☐ Allergy: _____

Quick label check: "alcohol-free" means no detectable alcohol; "non-alcoholic" / "dealcoholized" can mean less than 0.5% ABV (FDA CPG Sec 510.400; TTB malt beverage labeling).
